Open Middle School

Where your dream of leaning becomes a reality

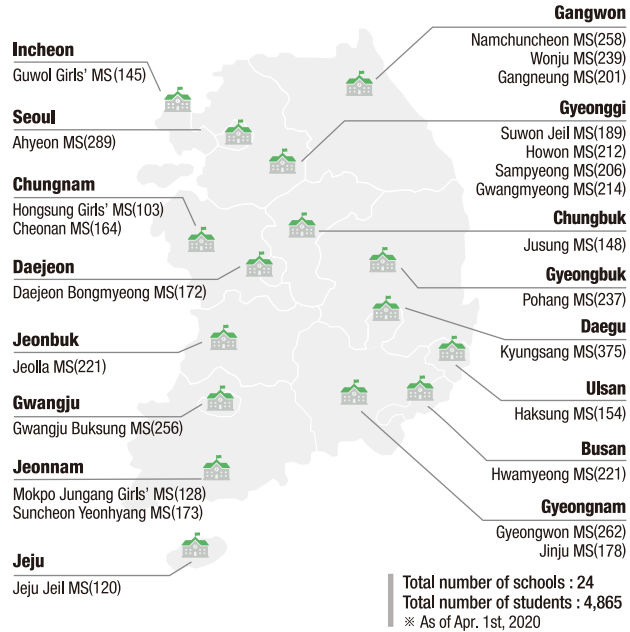

“ Give yourself the opportunity to realize your long-awaited dream of studying ”

Introduction

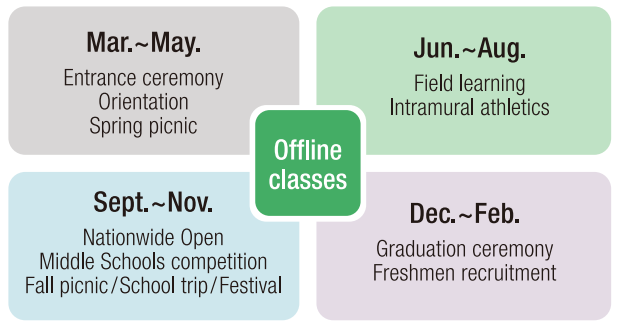

A school that students can attend from anywhere around the nation

Open Middle Schools are established as affiliated schools at prestigious public middle-high schools across the nation, so that students are able to attend classes near their home.

A school that you go to twice a month

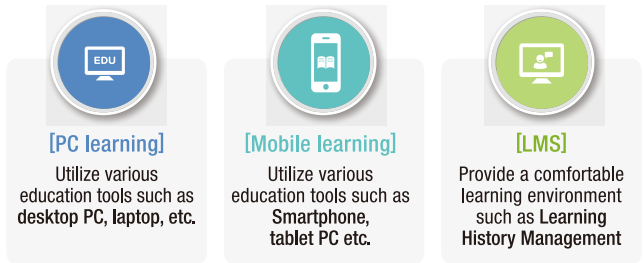

Offline classes occur twice a month (every other weekend), and students take cyber courses through the Internet during the week. Offline classes include curriculum learning as well as other various school programs.

A school that provides digital-based lifelong learning

Students can study easily and effectively with various learning methods through the Internet anytime, anywhere.

+ Cyber Education System

A school that provides customized education programs

Digital Education Research Center offers education programs customized for Open Middle School students.

+ Learning Support Programs

- Support students as they complete formal education in English and Math
- Provide online tutoring services
- Conduct assessment of basic academic skills
- Provide contents tailored to individual levels and real-time video lectures

+ Visiting ICT classes at Open Middle Schools

- Provide Information Technology education to new students at Open Middle School
- Provide basic computer skills training
- Offer on-site consulting services delivered by professional instructors

+ Self-Understanding Programs

- Help students adapt to school life
- Provide professional instructors' explanatory lectures on results
- Conduct a student survey
- Offer student-led activity programs

A school that acknowledges various learning experiences

Students can get their learning experiences outside of school (Licenses, GED (general equivalency diploma), public employment training facilities) recognized as the equivalent of a curriculum subject via the recognition of prior learning. Students can graduate up to one year early as they can get excused from classes or exams.

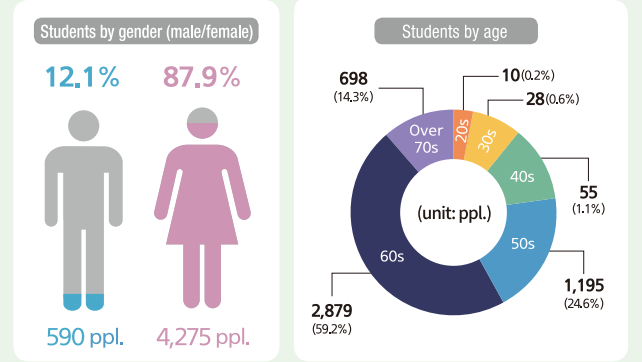

- Recognition of prior learning homepage : pass.cyber.ms.kr

Current Status

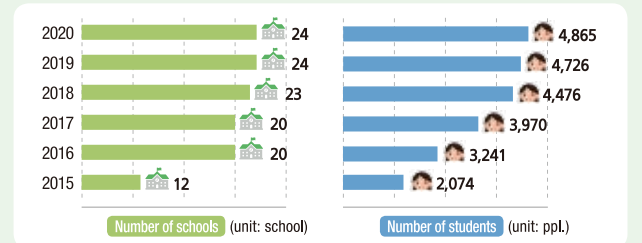

A school where anyone can enter

Regardless of age and gender, anyone who is a graduate of elementary school or has a recognition of equivalent achievement is given an equal opportunity for secondary education.

+ Student Composition

+ Number of schools and students over the past 6 years

A school where you can obtain regular middle school diploma

The years required for graduation is 3 years, same as regular middle schools.

+ Number of graduates and advancing students to high schools over the past 5 years
