Open High School where your dream of learning becomes a reality

Open High School

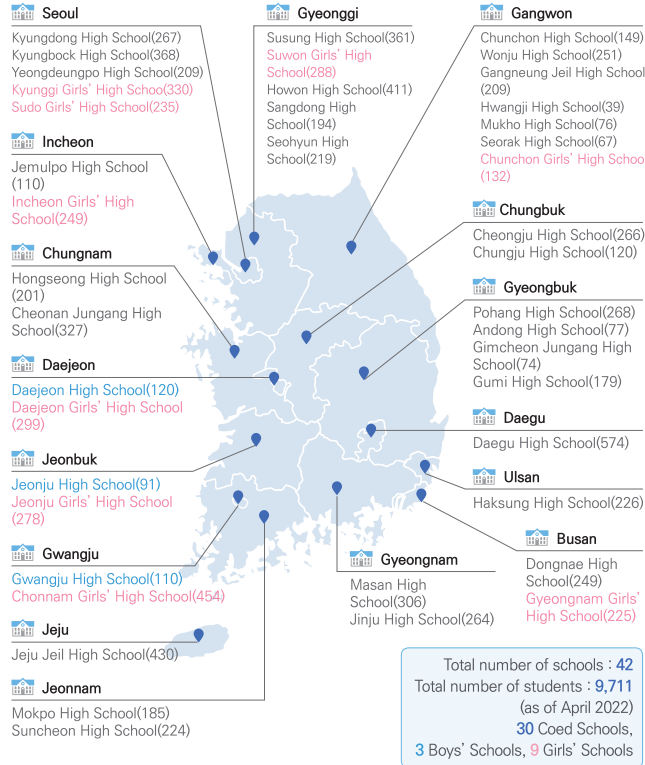

Give yourself the opportunity realize your long-awaited dream of learning

About Open High School

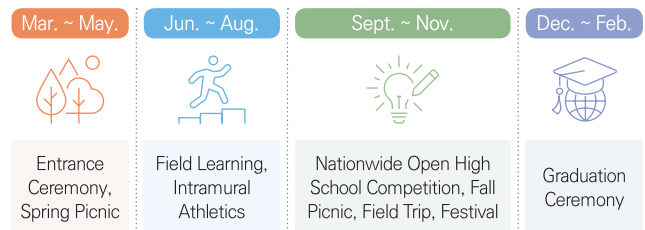

A school that students can attend from anywhere around the country

Open High Schools are established as affiliated schools at prestigious public high schools across the country so that students are able to attend classes near their homes.

A school that you go to twice a month

Offline classes occur twice a month(every other weekend), and students take cyber courses through during the week. Face-to-face classes and various school programs are offered on school days.

※ It may change depending on the school schedule.

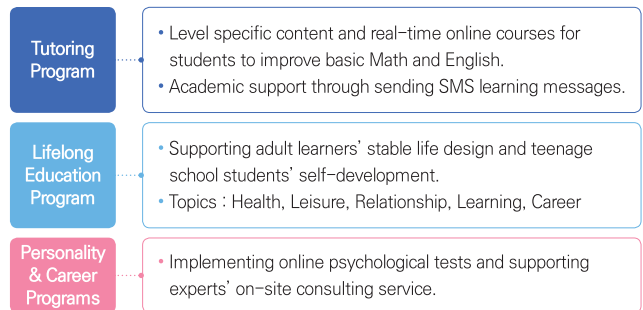

A school that provides digital-based learning

Students can study online using Open High School Learning Management Systems.

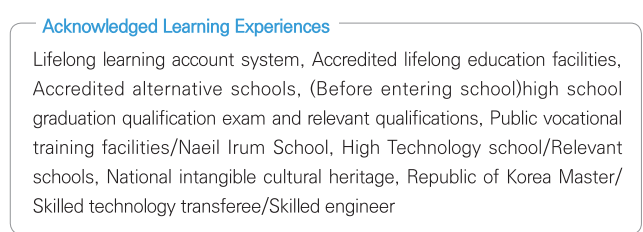

A school that provides customized education programs

Center for Open Middle and High schools offer education programs customized for students.

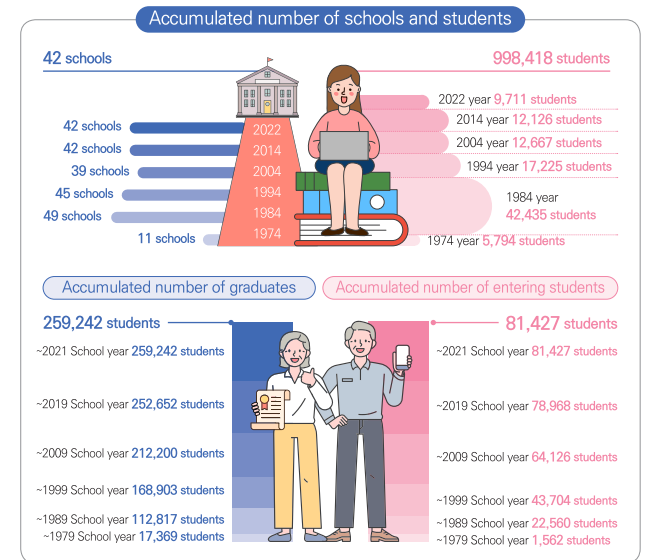

A school that acknowledges various learning experiences

Out-of-school learning experiences can be recognized as completing courses via the recognition of prior learning and students can graduate early up to one year.

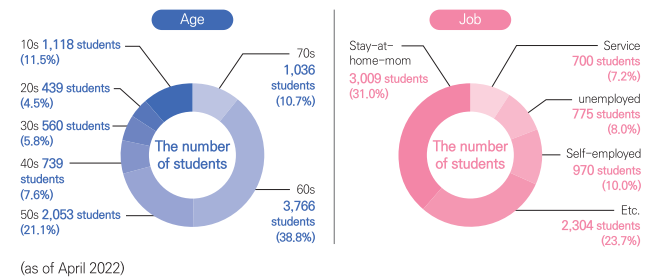

Open High School by Numbers

Past about 50 years of Open High School

A school that can learn regardless of age and job

A school that can obtain a regular school diploma

Upon graduation, you will obtain 3 years of a regular high school diploma and can enroll in university admission.
